

*Note: The following policies will be included as an addendum for all rentals. This is a living document.*

# The Playhouse Association

## COVID-19 Policies

All safety guidelines outlined by Public Health Orders, the City of Edmonton, the Governments of Alberta & Canada are to be respected and enforced as a minimum standard. These may change throughout the term of your rental.

The Playhouse Association expects all users to require and enforce proof of double vaccination (both doses administered at least two weeks prior to your event) or a negative rapid test result, completed no more than 72 hours beforehand, from anyone aged 12+ who they allow into the space. The Renter is responsible for observing and confirming proof of vaccination for each of The Renter's attendants or participants, and The Renter agrees to diligently represent The Playhouse's COVID-19 policy. Failure to enforce this policy, and any consequences of failure to honestly confirm Proof of Vaccination, will result in a breach of agreement. The Renter will be responsible for any fines, reporting or legal ramifications as a result of a breach of agreement.

The current capacity of The Playhouse is restricted to 30 people (50%). The nature of your activities may require additional physical distancing, and a smaller capacity.

Anyone who cannot pass the Alberta Health Daily Checklist is not permitted in our venues. Anyone who becomes symptomatic must leave immediately and the space must be sanitized.

You will have access to the space for a half-hour before and after your booked time to clean the space. We ask you to do this labor to avoid paying an extra fee for this service and to minimize the number of people coming and going from the venue. Use the anti-bacterial cleaning products provided by The Playhouse to clean any surfaces used and touched during your rental. This includes:

Tables, Chairs, Benches, Mime Blocks (cubes), Piano Cover and Keys, Light Switches, Door Knobs, Kitchen & Bathroom Counters, Faucets, Soap Dispenser Button, Toilet Handle, Paper Towel Dispenser, Thermostat, Fridge Handles, Vacuum Handles/Cord (if used), Spray Bottle Handles, and anything else you've come into contact with. If you do floor work, please sweep and mop the floor, then sanitize the broom and mop and bucket handles.

Users should maintain records of everyone present in our venues so that if any user contracts COVID-19 we can properly support contact tracing. Please let The Playhouse Association know if someone in your group becomes ill- we do not expect you to identify the individual, but to be able to tell us when they were in our venues and that you will support Alberta Health Services efforts in contract tracing. Records do not need to be kept beyond 2 weeks.

Groups that fail to abide by The Playhouse Association's COVID-19 Policy and any company or government restrictions will have their bookings canceled and will be responsible for any legal and/or monetary consequences resulting in the Renter's breach of the agreement. Your invoice will reflect all time used in the space up until cancellation.

Should there be a report of an infected or symptomatic person having been in our space, The Playhouse reserves the right to cancel any of The Renter's upcoming rentals without advanced notice.

We acknowledge that COVID-19 is a serious matter, and we will work together to ensure the health and safety of everyone who passes through The Playhouse.
